GoPro HERO

Model Number: CHDHB-501

MSRP: \$199.99

Meet HERO. With a touch screen and durable waterproof design, it's easy to score awesome shots of any adventure. Or use it to capture everyday things from creative new perspectives. Your moments move right to the GoPro app and transform into amazing videos, automatically.¹ Wherever life takes you, capture and share your story with HERO.

Features:

- 2-Inch Touch Screen
- Waterproof + Durable
- Voice Control
- Wi-Fi + Bluetooth®
- QuikStories Enabled
- Auto Cloud Backup
- Full HD Video + High-Quality Photos
- Auto Offload to Your Phone

Headstrap/Quick Clip

Model Number: ACHOM-001
MSRP: \$19.99

Includes a Head Strap and a QuickClip for a variety of head-mounting options. Fully adjustable to fit all sizes, the Head Strap can be worn over a helmet or directly on your head to capture footage from a headlamp-like perspective. The QuickClip enables ultra-compact, low-profile mounting, and can be used to attach your GoPro to a backwards baseball cap or other 3mm to 10mm thick object. Compatibility: All GoPro cameras

Casey GoPro Case

Model Number: ABSSC-001
MSRP: \$49.99

Casey is the perfect GoPro travel and storage solution. It fits inside a backpack, but is large enough to carry your HERO cameras, mounts and accessories. The water-resistant, semi-rigid shell guards against light rain and snow. A padded interior protects your camera, while removable dividers let you create customized compartments. Compatibility: All GoPro cameras

Chest Mount Harness "Chesty"

Model Number: GCHM30-001

MSRP: \$39.99

The "Chesty" is fully adjustable to fit all sizes. Makes it easy to capture video and photo footage from, well..your chest. Perfect for skiing, mountain biking, motocross, paddle sports, or any activity where you want to get a lower than the helmet view of the action. See more of your arms, knees poles, and skis while skiing...or your arms and handlebars while biking or riding your motorcycle. Recommended as a more immersive way to film than on the helmet. What's included: 1 Adjustable Chest Harness, 1 Vertical Surface "J-Hook" Buckle. Compatibility: All GoPro cameras

Suction Cup Mount

Model Number: AUCMT-302

MSRP: \$39.99

Attach your GoPro to cars, boats, motorcycles and more. This industrial-strength Suction Cup mount is proven at speeds of 150+ mph and engineered for stability and a broad range of motion. Adjustable arms allow for ultra compact mounting. Includes a standard base and a quick release base for moving conveniently between shots and locations. For maximum holding strength, attach to a clean surface. Compatibility: All GoPro cameras

The Handler 2.0 (Floating Hand Grip)

Model Number: AFHGM-002

MSRP: \$29.99

Get a solid grip on your GoPro and keep it afloat better than ever before with The Handler. This floating hand grip gives you stability and control to get your shot, and the quick release base lets you switch between mounts with ease. Drop it in the water and the bright orange end of the handle pops to the surface, making it easy to spot. Keeps your GoPro afloat better than ever before so you can shoot in and around the water worry-free

Easy to switch between mounts with a quick release base

Makes it easy to aim your camera and capture a bunch of different angles

Comfortable, non-slip construction for a secure grip

Perfect for surfing, kayaking, wakeboarding and other water sports

Bright orange cap piece is easy to spot if you ever drop it in the water

Enables more stable footage than holding the camera by hand

Wrist strap lanyard included for extra security

Shorty

Model Number: AFTTM-001

MSRP: \$39.99

A portable mini extension pole and tripod with a sleek subtle design that makes it the perfect little camera partner for all your on-the-go activities.

3-Way Mount

Model Number: AFAEM-001

MSRP: \$69.99

This ultra versatile mount can be used three main ways: as a camera grip, extension arm or tripod. The folding arm is perfect for POV or follow-cam footage, and makes it easy to capture selfies without the mount appearing in the shot. When detached from the arm, the handle doubles as a camera grip. Stored inside the handle is a lightweight, mini tripod that can be removed and used on its own or combined with the handle. Expands to 20" (50.8cm), collapses to 7.5" (19cm). Compatibility: All GoPro cameras

Bag Pack of 5

Model Number: ABGPK-005

MSRP: \$19.99

These drawstring bags provide protection and organization of your GoPro cameras and accessories. Keep your GoPro cameras and accessories safe and organized. Compatibility: All GoPro cameras

Gooseneck Mount

Model Number: ACMFN-001

This bendable neck delivers versatile camera-angle adjustability, making it easy to capture a wide range of perspectives. Combine it with any GoPro mount that features a quick release base—including the Suction Cup, Jaws: Flex Clamp, Curved + Flat Adhesive Mounts and more—or use it on its own as a handheld camera grip. Multiple Goosenecks can be joined together for extended length and flexibility. Measures 8" (20.3cm). Compatibility: All GoPro cameras

Jaws Flex Clamp

Model Number: ACMPM-001

MSRP: \$49.99

Enables a GoPro camera to be clamped to objects ranging in size from .25" to 2" (.6cm to 5cm) in diameter. Camera can be attached directly to the clamp for low-profile mounting, or use the optional neck to achieve a wider range of camera-angle adjustability. Jaws securely grips irregular shapes and super slim objects thanks to its innovative design. Compatibility: All GoPro cameras

Smart Remote

Model Number: ARMTE-002

Control your GoPro remotely from distances of up to 600' (180m) with this wearable, waterproof remote. Perfect for gear-mounted shots, you can power the camera on/off, adjust settings, start/stop recording and capture photos. When used with HERO4 cameras, you can also access the Settings/Tag button to quickly change settings, or use HiLight Tag to mark key moments while recording for easy playback, editing and sharing. Smart Remote enables control of up to 50 cameras at a time. Mountable and waterproof to 33' (10m). Compatibility: HERO4, HERO3+, HERO3

Xtreme 32GB microSD Class 10 UHS-1 Memory Card

Model Number: 337
MSRP: \$39.99

Premium mobile memory solution for your action camera. The Class 10 microSD extreme give you the power to quickly and easily capture, play back, and transfer large, high-quality video files. Compatible with GoPro Session, HERO4 Silver and HERO4 Black cameras.
